

What is Soccer Kids?

Soccer Kids is a fun filled and age appropriate soccer program for young boys and girls. Children learn soccer through play and structured activities related to soccer. There are a number of different class from which to choose.

Soccer Kids— An enjoyable beginner class for boys and girls aged 4 and 5.

Soccer Kids2— For 5 year olds who have completed two previous Soccer Kids secessions.

Soccer Skills— A class for children in kindergarten and first grade designed to help develop basic skills while keeping the fun in soccer. Each week class concludes with a scrimmage.

Parent-Child Soccer— A fun introductory class for 3 and 4 year olds who participate with a parent.

Kiddie Soccer— A starter class for children 3 1/2 years old who are ready to learn to play soccer without Mom or Dad.

How does it work?

In small groups children will each have a ball and gain confidence with the soccer ball through a variety of games. The importance of fun is stressed repeatedly while the children learn basic techniques and rules involved in soccer. Dates and times are listed on the reverse side of this page.

Leadership

This program has been designed and taught for many years by Tom McLoughlin, Head Coach at Fairleigh Dickinson University, and a national selling author and leader in the field of soccer education for preschoolers. Classes are led by Tom and the McLoughlin Soccer staff who are trained in preschool teaching techniques and are USSF and First Aid certified.
